TRAVEL PAYMENT & REIMBURSEMENT

Reference:

2 CFR 200.474

Travel expenses incurred for official business travel on behalf of the Board of Directors shall be limited to those expenses reasonably and necessarily incurred by the employee in the performance of a public purpose authorized, in advance, in accordance with any applicable administrative guidelines. Travel costs may include the transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Academy.

Payment and reimbursement rates for per diem meals, lodging, and mileage shall be approved by the Board annually. The Board shall utilize the Federal IRS prescribed mileage rate.

Employees are expected to exercise the same care incurring travel expenses that a prudent person would exercise if traveling on personal business and expending personal funds. Unauthorized costs and additional expenses incurred for personal preference or convenience will not be reimbursed.

Unauthorized expenses include but are not limited to alcohol, movies, fines for traffic violations, and the entertainment/meals/lodging of spouses or guests.

Conference costs must be appropriate, necessary, and managed to minimize costs to the Federal award.

Travel payment and reimbursement provided from Federal funds must be authorized in advance by the Federal awarding agency or pass-through entity and must be reasonable and consistent with the Academy's travel policy and administrative guidelines. For travel authorized by and paid for with Federal funds, the travel authorization must include documentation that demonstrates that (1) the participation in the event by the individual traveling is necessary to the Federal award; and (2) the costs are reasonable and consistent with the Academy's travel policy.

All costs incurred with Federal funds must meet the Academy's cost allowability standards.

To the extent that the Academy's policy does not establish the allowability of a particular type of travel cost, the rates and amounts established under 5 U.S.C. 5701-11, ("Travel and Subsistence Expenses; Mileage Allowances"), or by the Administrator of General Services, or by the President (or designee), must apply to travel under Federal awards.
